1. The recent discovery of uranium ore near Dietrichshütte, Thuringia, has been so rich that the Wismuth A.G. administration believes it will be forced to evacuate the entire population of the town to Mecklenburg to make room for the extended diggings.
2. Major Deruchim (Enu), the Russian physicist who was in charge of the Wismuth office in Ilmenau, has been replaced by another Russian, not yet identified. It is reported that Major Deruchim was such a difficult person that the Wismuth A.G. personnel is pleased that a new man has been appointed in his place.
